FASTENERS

Trex Hideaway® Hidden Fastening Collection

When you want a deck that delivers above, beyond and below, choose to build with the Trex Hideaway® Collection. Made by Trex, for Trex, the fastener system delivers universal deck hidden fasteners, color-match decking and fascia screws, decking and fascia plugs, butt-joint clips, and starter clips.

For a full list of approved fasteners, download our Installation Guide at trex.com/literature

Note: Transcend Lineage follows the Trex Transcend Decking installation instructions. To learn more about installation requirements and accessories, download our Installation Guide at trex.com/literature

*Although Trex Transcend Lineage is designed to be cooler than most other composite decking products of a similar color, on a hot sunny day, it will get hot. On hot days, care should be taken to avoid extended contact between exposed skin and the deck surface, especially with young children and those with special needs.
